

Spearfish Emergency Ambulance Service, Inc.
AHA Training Center
715 E Colorado Blvd
Spearfish, SD 57783

Dear AHA Instructors,

The American Heart Association has a great new instructor resources available, "[The Instructor Network](#)." This web site provides instructor resources, updates, tips, training, continuing education, discussion forums and much more. Also included are many great resources for marketing and advertising for those interested in public education.

We are asking that all instructors register for the network and keep up-to-date with the information available. As seen in [Figure 1] you will need to click on the "Sign Up" link and provide the required information. As part of this process you will have to provide your affiliation information. For this please select BLS Instructor – *Training Center State: South Dakota* and *Training Center Name Spearfish – Spearfish Emergency Ambulance Service Inc. – SD15650*. [See Figure 2] (If you are affiliated elsewhere for ACLS or PALS feel free to enter the associated information in those areas.)

Update Instructor Affiliations

Training Center Information

To update or change your Training Center affiliations, please select the Training Center in your corresponding discipline. The Training Center that you select will be asked to confirm that you are an instructor affiliated with them. Once you have been confirmed, you will receive an email informing you of your status. Please note that if you are currently an approved instructor in that discipline and you change your Training Center affiliation, you will still be able to view all of your instructor information for 30 days while you await your confirmation from the new Training Center with which you are aligning.

Below each discipline, your current status is displayed. If your status as an instructor is approved, then you will have the ability to update your discipline Training Center affiliation(s). If your status is pending, then you will not be able to update your discipline Training Center affiliation until you are confirmed by your Training Center. If you have been denied as an instructor by a Training Center, you will be able to select another Training Center with which you are affiliated.

Note: Once you select your Training Center State, the Training Center Name drop down is listed with the City first and then the Training Center Name second (Example Dallas - American Heart Association).
